

Cloud Community Day Nagpur 2023

SPONSORSHIP PROPOSAL

ABOUT US

"GDG Cloud Nagpur" is a Google Developer's Cloud Chapter spread globally, run by developers for tech and cloud enthusiasts, with a passion to usher an intense taste of technology in technophiles to thrive in the real world. Our aim is to empower many techies by providing them a platform of learning.

CLOUD COMMUNITY DAY NAGPUR 2023

Cloud Community Day is GDG Cloud Nagpur's Annual flagship event, which will be held on 28th May, 23 at Persistent Systems Limited, Nagpur. We're bringing an opportunity to learn about Cloud Technology and some other domains from the startup Founders, TedX speakers, Googlers, and industry experts.

We welcome all passionate tech enthusiasts, Cloud developers, and community enthusiasts interested to know the power of the Cloud and how they can use it and incorporate it into their products to make them even better.

AT A GLANCE

WHY SPONSOR US?

- This will be the biggest cloud event in the history of Nagpur, named "Cloud Community Day Nagpur 2023" with a great platform for networking, where you can find students along with working professionals.
- By becoming a sponsor, you are investing in the future's brightest minds and strengthening your connection with the innovative minds of tomorrow.
- There is a high altitude to spread the word about your stellar company. We would love to know who you are and what you have to offer to our entrepreneurs and future engineers.
- We had 2000+ registrations at the CCDNGP'22 and it was an awesome engagement rate.
- Have fun mentoring and encouraging some of the best and most creative minds.
- Explore and expand your company's brand recognition and showcase your organization's technical side through our workshops and more.
- This will be a great opportunity for you to showcase your product throughout the community day.

CLOSING NOTE

TO THE TECH DIVERSITY

Being a vibrant knowledge society, we focus on uplifting the taste of technology. Inviting back the developers from every corner and the domain entities into the conference to energize the cloud world.

A diverse mix of voices leads to better discussions, decisions, and outcomes for everyone.

~ Sundar Pichai
